

Rumble on the River

The question is - are you tough enough?

Established in 2012, the Tough Cup pits the best crews in the Chicagoland area against one another to claim the title of toughest crew team on the river!

Racing in eights, coxed fours, and quads – this 5k head race takes participants from Kedzie Ave Bridge to Halsted Ave.

The rare boat-level view of the industrial part of the city is an eye opening experience for the rowers and a great opportunity to race in state.
